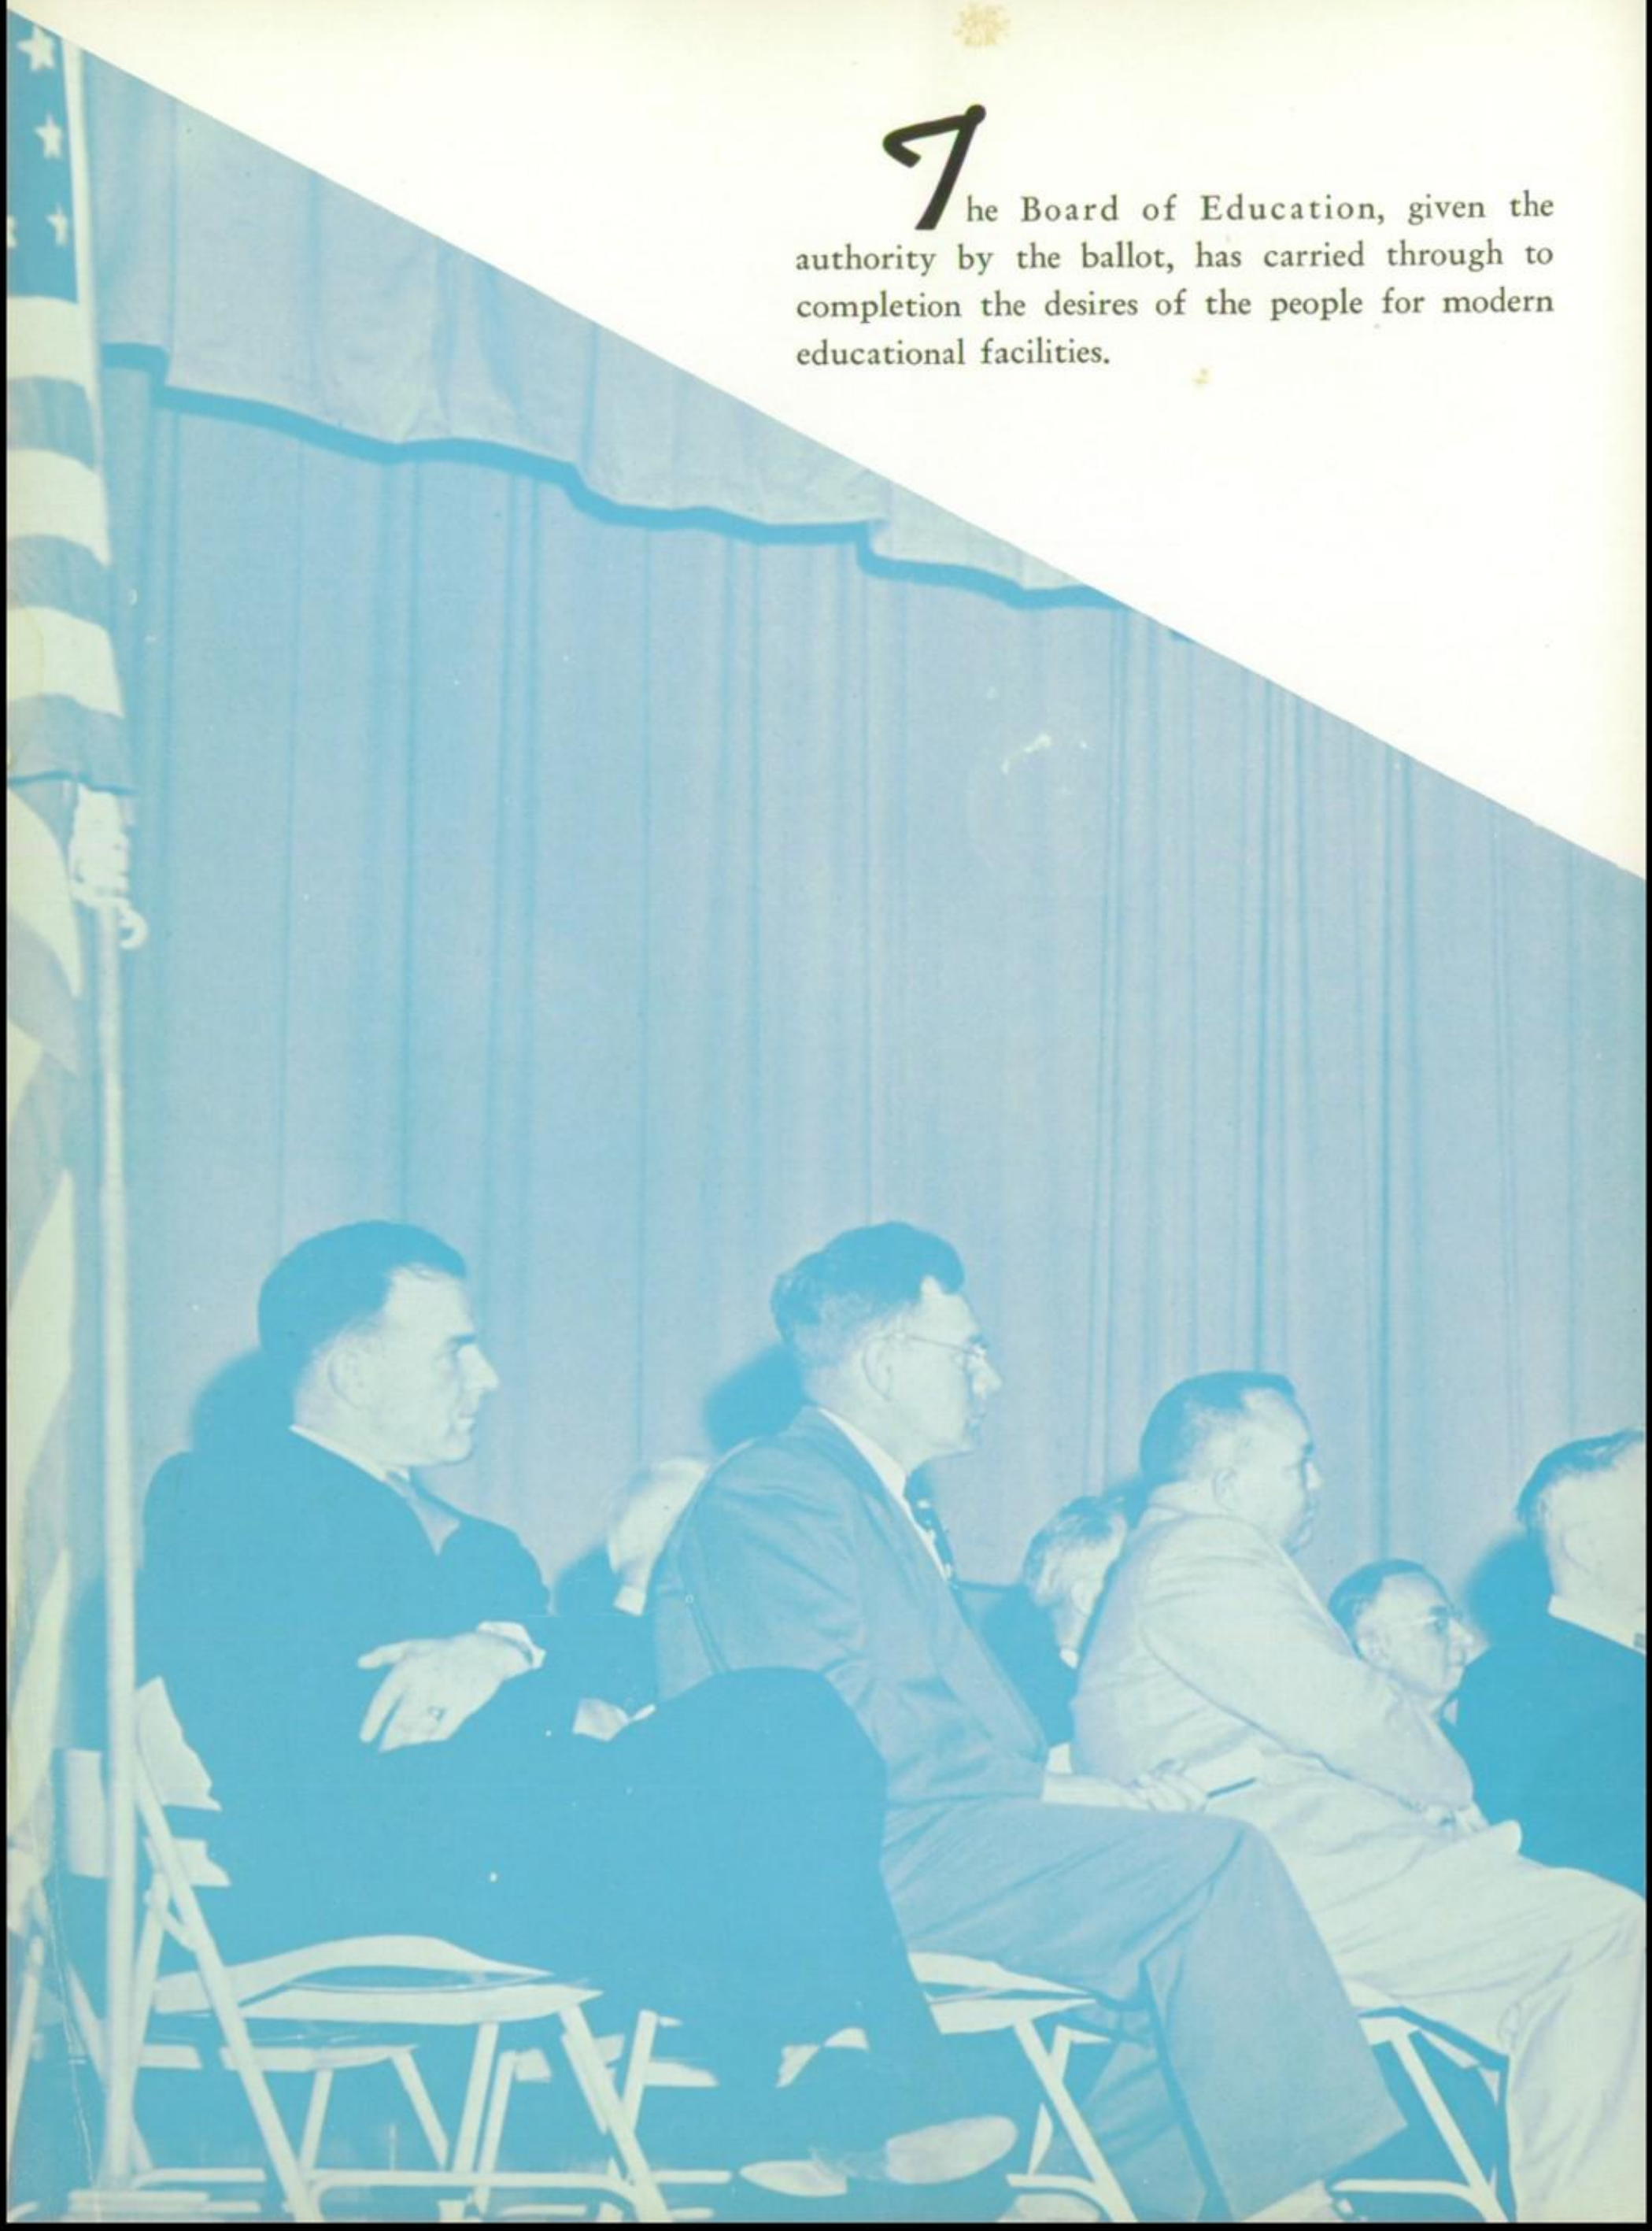
Dedication

To the people of Canton and of our School District . . . .

For your confidence in the Youth of the Future, we, the Class of 1954, dedicate the forty-second volume of the Cantonian as a small token of our appreciation. May our posterity be worthy of the new Canton Senior High School you have given them.

The Board of Education, given the authority by the ballot, has carried through to completion the desires of the people for modern educational facilities.



A new school, a new atmosphere, with traditions yet to be molded.

Board of Education

For the routine things they do for us every year, and for their hard work, determination and devotion to duty beyond the expected, we are indeed grateful to the Board of Education.

The planning of the trend-setting new building, whose modern lines will never become old, and the awarding of contracts to reputable firms took much thought, especially from an economical standpoint. The construction required detailed supervision assuring the use of quality materials at all times.

The equipment also had to be chosen with much care, to blend with the architecture in beauty of line, and at the same time to afford maximum educational opportunity.

A hearty "Thank you" to the Board of Education!

To the Seniors:

Quest—meaning to search, is an important and interesting word. The good people search out the truth—the ambitious seek to improve themselves materially—even the lazy hunt for comfort. The whole mass of humanity surges in a never-ending quest for things better.

As school people we are never entirely satisfied, for it is our concern to make education serve in an ever improving way. As it is determined what skills and attitudes are the most desirable for the individual and for the group, we must as skillfully as we know how develop those abilities and traits.

Knowing too that characteristics developed in school invariably become assets for life, we can only pursue our quest with due seriousness.

To the Seniors:

Many aims or objectives of education have been set forth, but all can be encompassed by these two broad aims: learning how to make a living, and learning how to live.

The experiences you have had in high school have, no doubt, yielded some knowledge and skills that will materially aid in acquiring vocational competence. But it is equally important that you carry away with you the attitudes, appreciations, and understandings, that are basic to those moral and spiritual values that will enable you to live a richer and nobler life founded on a code of ethics that will contribute to the improvement of society.

The faculty relaxes at one of its monthly "teas".

Below: Mrs. Jenkins returns to old haunts and reminisces.

STUDENT DEDICATION: Seated on the stage with members of the Board of Education were student speakers Buddy Frank, Lila Leek, Janet Glasford, Sandra Rumler, Peggy Somers, Jim Young, Tom Lawerence, Peggy McLouth, and Tom Gibbons, who, each in his own way, expressed appreciation for the new building. Mr. Charles Brown (inset) was given an ovation by the student body for his donation of the school site.

$1,250,000 Building Shows Confidence of Canton in Its Youth . . .

What was actually said and done at the student and formal dedications christening Canton Senior High School may be forgotten, but the thoughts suggested to the audiences will take root and grow during the coming years. A little time out in the world will bring to the new graduates the realization that the years filled with memories and traditions, now slowly enshrining and aging the sparkling young halls of C.S.H.S., were the most enlightening and carefree years most of us will probably ever live.

The people of Canton have shown foresight and high future time preference

FORMAL DEDICATION: The Mixed Chorus provided the proper atmosphere for the formal dedication on Sunday, January 10. Sharing the stage with the Chorus are members of the Board of Education, the architects, and contractors.

by providing this house of learning, the center of state-wide awe and admiration. But the eye-catching appeal this institution affords is only secondary. The main concern now is the mental and physical development of these generations that someday may be pushing bond issues of their own here and there throughout the country.

The dedicatory address given by Mr. Sharvy Greiner Umbeck, president of Knox College, stressed that educators must not lose sight of the individual and that an appreciation for high moral standards must enter into the process of mental seasoning.

During a debate in the House of Commons concerning the importance of education January 29th, 1828, Lord Brougham said these words that have meaning for us today:

Education makes a people easy to lead, but difficult to drive; easy to govern, but impossible to enslave.

May education move forward in Canton Senior High School to justify the confidence placed in youth by this community.

All of a Sudden

Four years ago we paraded into high school life feeling pretty big inside but too small to say anything because of the bigger upperclassmen towering all around and casting ominous looks. When we were invited to the first school dance we could hardly get our heads through the door—even if it was an all-school invitation.

Then came the amazing elevation to the *Sophomore* level. Our heads got considerably larger, but time started moving a little faster, and since the added learning stamped into our little minds, had made us a bit wiser we were busier keeping up with the time than keeping up with our swelled heads.

All of a sudden we were *Juniors.* Real upper class—and did those Frosh look tiny! Again our heads swelled, but time was moving even faster. Again we were a little wiser and worked a little harder. Things came one right after the other, it seemed—Junior Class Play—1953 Prom.

Then out of a clear blue sky—we were *Seniors!* Time moved so fast we could hardly keep up with it. A day seemed more like a minute. But along about the middle of the year it suddenly hit us—"We graduate this year!" Where had all the time gone? We suddenly felt so small we could saddle up fleas. All of a sudden we were faced with a jarring challenge—the challenge of life on this mixed up earth—and it's the job of the Classes of 1954 all over the world to try to straighten it out.

Cantonian Staff Says "Uncle"

"More work than glory," the staff invitations from Raoul and Dick read and truer words were never spoken. Serving on the Cantonian Staff is indeed an honor and pleasure, but most of us never dreamed there was so much to it! The infinite detail, *long* hours and drudgery that is required to publish a book of this type was soon apparent.

A budget of several thousand dollars, contracts with engravers, printers and binders, financing, planning and designing from cover to cover—all these things made us realize that the Senior Class is in the publishing business as surely as any other book manufacturer.

Senior Council Sifts Large Quantity of Information

The Senior Council is a group of seniors whose chief function is to screen bulk information for a selection which can more easily be considered by the entire senior class.

Formerly, the Senior Council consisted of the class officers plus two representatives from each senior home room. However, since the home room set-up was abolished in the new school, the future selection of the remainder of this council, other than the class officers, will quite likely be left to the to-be-formed Student Council.

Class of 1955

Junior Class Officers

BUDDY FRANK, *president*—handsome . . . honor student . . . winning smile . . . efficient . . . friendly.

WAYNE GRACHEK, *vice-president*—basketball star . . . clever . . . neat . . . good student.

JUDY CARRARA, *secretary*—good disposition . . . attractive wardrobe . . . thoughtful.

JACK POLLITT, *treasurer*—good looks . . . sports star . . . sense of humor . . . a ready smile.

Junior Class was Efficient, Daring . .

This year the Junior Class has shown its efficiency and capability in many ways. Not only did they excel in athletics, but in scholarship as well. Besides their dances and candy sales, they have proved their generosity and diligence by presenting a new type Prom Night, which is indeed an advancement. Without their courage this unique idea could never have been developed and carried through. This class can well be proud; we know it will prove to be even more outstanding next year.

Yale Smith

His shy smile and winning way; his willingness to help and deep love for the great outdoors; his hardworking determination, wholesome attitude, and fighting courage in the face of misfortune after misfortune set an example typical of high character. That crown of blonde hair, different smile, and quiet manner had a way of rubbing off on us—so that we can't forget him now.

Sophomore Class Officers

SANDRA RUMLER, *president*—cute . . . co-operative . . . peppy . . . neat.

JIM MOOREHOUSE, *treasurer*—rangy . . . studious . . . sports-minded . . . capable.

JOHN SWEARINGEN, *vice-president*—fast talker . . . athletic . . . easy going . . . good looking.

JUDY SOMER, *secretary*—lively . . . popular . . . helpful . . . dainty.

Sophomores are Capable, Energetic . . .

This energetic group, which will step into the long awaited upper class boots next fall, has proved to be mighty capable in view of the way they've handled the Sophomore projects this year. Their fine record proves they will have plenty of success in the line of the tougher scholastic responsibilities as well as the larger roster of social activities, come the 1954-1955 learning season.

Freshman Class Anchors Canton School System

This year was the only time in history that the Canton public school system revolved around the Freshman Class. While others were busy moving in and out, the Freshmen anchored the whole project!

Although the Freshmen were separated from us during the second semester, we still consider them our classmates.

Of course, we were sorry they could not move to the new school, but in remaining at the old they gained new prestige. No longer the "green Frosh," they were "big wheels" at Junior High, under the capable guidance of Mr. Harold Swartzbaugh and his efficient secretary, Mrs. Gloria Pschirrer. To them will fall the distinction of being the first class to complete three full years in the new senior high school.

We enjoyed our associations with the Freshmen at school functions, and are looking forward to having them with us again next fall.

STANDING along the sidelines, supporting every school activity, can be seen the townspeople of Canton. They're behind us all the way, in every way.

THE Junior-Senior Prom is always *the* student activity of the year. The 1953 Prom was one of the most beautiful.

A Night in Hawaii

The 1953 Junior-Senior Prom

One of the most memorable spectacles of our school career was the 1953 Junior-Senior Prom. The authentic appearance of the entire scene was almost incredible. The pastel shades of blue, yellow, green and pink crepe parted at the center, revealing a bright Hawaiian moon and cool waterfalls, whose soft tinklings could almost be heard.

As couples entered, a Hawaiian lei was placed around each one's neck by Mr. Roy Coats and Mrs. Anna Deutch, chaperones.

The Hawaiian scene was made even more complete with the setting of pineapples and coconuts around the base of each palm tree.

That this was one of the most beautiful, spectacular proms ever, was sensed as King and Queen, Dick Pschirrer and Peggy McLouth, entered the Grand March circle. This was more fully realized as the last notes of the theme song, "Song of the Islands," faded away.

The authenticity of the entire scene was indeed a tribute to the combined work of Tom Henseler's Theme Committee, Barbara Mendenhall, Roberta Lou Ash, Beverly Boman, David Bump, Raoul Reinertsen, Sarah Shepley, and Jerry Lundry, and the Decoration Committee headed by Andrena Susich and Peggy McLouth, and supported by the entire Junior Class. The Art Committee, composed of Anita Cardot, Shirley Forbis, Jo Ann Messer, Alice Coleman, and Joan Sherwood, painted the Hawaiian scenes.

Everyone present felt that the time spent by chairman Gretchen Soldwedel and the Orchestra Committee, Jerry Todd, Alan Baxter, Louise Maurice, and John Flahavin, was definitely not wasted. The orchestra's melodious tunes added tremendously to the pageantry and gaiety.

The successful turnout was greatly due to the work of Larry Laird, Margaret Menne, Richard Bull, Marilyn Metzger, Chuck Finfgeld, Carole Douglas and Alice Carlton who made up the Publicity-Invitations Committee.

Added attractions of the evening were punch and cookies served by Geneva Riley, Elaine Phalen, Helen Stokes, Jeanette Miller, Annamae Ruey and Clarice Leininger.

Even when the dancing had ceased "Prom Night" had not come to an end, for the students then dispersed to various homes where all night parties were capped with a hearty breakfast.

Yes, the decoration, the dance, the parties, and even clean-up after the Prom will remain among our most cherished high school memories.

Thanksgiving, Autumn Lend Atmosphere To Senior-Junior Hop

The moment we entered the Elk's Ballroom for our Senior-Junior Hop we knew what a wonderful evening it would be.

From the day we had received our invitations from Shirley Somers and her committee (Jerry Lundry, Marilyn Metzger, Annamae Ruey, David Bump, and Jack Klobuchar) we had been anticipating this great event.

Suddenly posters and pictures appeared, creating still more interest—evidence that Mary Hamilton and her publicity committee (Sandra Kemper, Bob Blaydes, Jim Peak) were hard at work.

And now here we were, admiring the autumnal gold, green, brown, and orange decorations, accented by Thanksgiving turkeys and bouquets of mums. Thanks to chairman Jo Anne Terpening and Lucille Rogers, Donn Parson, and Barbara Mendenhall, the Ballroom was decorated appropriately for the first time in several years.

Then we became aware of the scintillating music of Billy Williams' Orchestra coaxing us to dance. Gliding around the floor we had to give credit to Gretchen Soldwedel, Chuck Nagle, and Lozetta Bohman for choosing such a wonderful orchestra.

During the intermission punch and homemade cookies were served by Janet Oaks, Peggy Royer, Shirley Payne, Carole Douglas, and Richard Miller. And then we took time out to thank our advisors and chaperones for giving their time to help make this a perfect evening.

Back to the sparkling music and dancing round and round. Then, heading towards home, we were sorry it had to end so soon. This had been the best Hop ever!

Homecoming Festivities Rated Best Ever

The annual Homecoming celebration at C.H.S. began with a colorful Pajama Parade and Bonfire Thursday evening, provided by the Hi-Y. Pajamas of all sizes, shapes, and colors were seen with Betty Bliesner and Jack Pollitt carrying off the prizes. The cheerleaders led us in a rousing pep rally around the Bonfire where the spirit of East Moline was savagely burned in effigy.

October 20th, Homecoming Day, dawned bright and fair. Excitement ran high all morning and rose to a peak for the afternoon assembly. We were greatly entertained by six senior actors (?) who presented a skit, "The Persecuted Maiden." Next on the program were our favorite Four Steps of Harmony. The cheerleaders then produced a parody, "Panthernet," in which East Moline, our football opponent, was sentenced to life imprisonment.

Then came the crucial moment! Amid shouts of joy, June Ashton and Buddy Frank were announced junior attendants . . . then, after a sudden hush filled with suspense, Peggy Somers and Jim Young were announced to reign as Queen and King! Again the rafters rang! As a conclusion the cheerleaders led us in some cheers and our Loyalty Song.

Next on our "to be remembered" list was the glorious parade. Many lovely and novel floats and cars were entered. The French Club carried off first prize by portraying a colorful guillotine scene with East Moline as the victim. "Sail On To Victory" was the G.A.A. theme, which won second. A huge megaphone won third for the Pep Club. The Spanish Club, featuring a Pan-American theme with twenty flags representing the various countries, had the winning car.

Front Row: Bonnie Bush, Judy Churchill, Pat Tolle, Elena Jacobs, Bobbie Martin.
Second Row: Liz Pegram, Jackie Seghi, Elaine Howard, Sarah Shepley.
Third Row: Mr. John McCabe, Eileen Berry, Clara Lue Irons, Peg McLouth, Janet Oaks, Peg Somers.

CORONATION—The junior attendants, June Ashton and Buddy Frank, crown the Homecoming Royalty, Queen Peggy Somers and King Jim Young.

At 8:00 p. m. we all began cheering wildly for Canton as the big football game with East Moline got under way. Although the score ended with East Moline on top, our spirits were not dampened.

Finally as a great climax to our Homecoming festivities, we made our way to the dance where the gym had taken on a "Halls of Ivy" atmosphere. As we glided around to the superb music of the "Esquires" we saw many old friends and, of course, stopped to greet them. At exactly eleven Buddy and June crowned Jim and Peggy as King and Queen of the 1953 Homecoming.

Credit must be given to the Homecoming Committee and their advisors for creating this wonderful fete. They did a marvelous job.

At last we all headed towards home, humming the strain of that last dance, and knowing that this was the end of a perfect day.

The first prize of the Homecoming parade went to the French Club for their very original "Let's Get A-Head." It was illustrated with a red guillotine with a silver blade. The executioner was dressed in black with a black mask. A head was lying on the floor of the float, in front of the guillotine. The base was in white with red letters.

The second prize went to the Girls' Athletic Association for their clever idea "Sail to Victory." The sail boat was pale yellow with a pastel green sail. The waves were dark blue and white. The base was light blue with silver letters.

Director of Athletics Reviews the Year in Sports

Coach Jack Allen's 1953 Track squad made up in determination what they lacked in depth. M. B. Carver and Dean Trenter spearheaded an inexperienced squad into a fairly successful year. The squad lacked field event men, and Coach Allen began his building program for the 1954 squad.

The 1953 Baseball squad lacked one out of reaching the State Tournament in Peoria. Rolla McMullen, Dewey Fidler, Ed Butkovich and Jerry Grzanich gave us our pitching depth and hitting power to carry us through a fair year. Lack of hitting in the clutches deprived the boys of a great year. Maybe their weakness will be overcome by the 1954 team.

In football, Coach LeRoy Macklin found himself with a great bunch of Juniors and Sophomores but no experience. A very hard and tedious job was accomplished when the Little Giants came from behind and beat Farmington 14-12. The coaching staff expects better blocking and tackling in 1954. Time will tell.

In basketball, lack of height and experience presented a great problem. Our shooting was good as was our ball handling. We couldn't handle the board play nor jump balls; hustle alone enabled a 13 won 13 lost season plus our fourth straight Illini Conference Championship.

Coach Macklin found the same problem existing in wrestling as he had found in football: great Sophomores, poor upperclassmen. Consequently, his won and lost record suffered. The 1954-1955 squad will be a veteran squad well worth watching.

—Frank Whitman,
Director of Athletics.

So we Lost 9 Games

The football season was still a success, in view of the confidence and experience gained by the squad in playing some of the state's *toughest* competition. The two games Canton won were at home, showing that a team is more confident in familiar surroundings. It's not only winning the game that counts; how the game is played and the willingness to participate are also valuable.

The Too Often Forgotten . . . .

The Managers

Managers are little guys that are seldom noticed. They are at basketball games looking after the balls, keeping dry towels handy, and running errands for the coach. In every sport the Manager has his place as in basketball. In football he puts on his white coveralls and carries the medicine chest. The same is true in baseball, track, wrestling and even intramural sports, when somebody wants something he calls for a Manager. These little guys help make a winning team.

Candy Sellers

A welcome feature at all basketball games are the candy sellers, who rate with the crowd as "all-staters." Managed by Mr. Robert Zeigler, eleven girls arrived early at each home game, missed tense moments of play, and devoted much effort to selling candy, soda pop, potato chips, and ice cream.

Their volunteered services are vital to the class treasuries as substantial proceeds are divided between the Junior and Senior classes.

Candy sellers during '53-'54 were June Ashton, Andrena Susich, Marilyn Rumler, Alice Coleman, Pat Duryea, Gretchen Soldwedel, Joyce Romine, Peggy McLouth, Jo Anne Terpening, and Margaret Menne. The girls' work is sincerely appreciated by everyone.

Illini Conference Champs...4th time in a row

This year's basketball team was faced with a tough schedule and an inexperienced group of Sophomores and Juniors. With only one of last year's "Sweet Sixteen" regulars returning, Coach Whitman was faced with building a winning team of underclassmen. The team was constantly being harassed by various injuries to key players. The team was juggled a great deal in hopes of finding the right combination to represent Canton in the tournaments. Canton's regular season ended with eleven wins and twelve losses. In the regional tournament Canton eliminated Elmwood and Farmington; in the final game Canton was defeated by Peoria Central, who advanced through the Spalding Sectional to the State tournament.

Coach Whitman says . . .

JIM MALONE

"Jim fooled all the coaches this year by his rapid development. His over all ability will improve with his maturity and great things are expected for the future."

JERRY ROHRER

"Jerry has everything except size; a good squad member, and a good hard worker. He didn't hurt us any this year, and will help us next year."

MARVIN McLOUTH

"Marvin gradually developed his dribbling ability until he came up along side Coleman on his guard play. Marvin will grow more, meaning great outside work can be expected."

TOM FLYNN

"Tom had a great year as a Sophomore; added size, speed and maturity will increase his chances of becoming a real Little Giant."

CAPTAIN GEORGE BUSBY

"George had a great year, making both the Northwest and Illini Conference Teams. He should without a doubt make great strides toward making all-state next year."

JOHN WELCH

"John is another Sophomore who has a great basketball future; a hard worker, good attitude with a can't miss tag."

JIM YOUNG

"Jim completed his third year as a Canton campaigner and once again his one-handed jump shot helped the Little Giants tremendously. He has a nice college future and should go a long way."

BILL MEYER

"Bill was a transfer from Bushnell and, up until his injury, played regular. We all feel he has great potential and will contribute greatly to the 1954-55 squad."

JIM SHAW

"The 'porky' on the squad, a good shot; famous for his last second baskets. His play in the Pekin game at Pekin must go down as one of our top past season efforts."

DELBERT COLEMAN

"Delbert came along rapidly toward the end of this year and next year could easily become one of the best guards in the State."

1953 Baseball Team
Won Regional Tournament

The 1953 baseball team was greatly weakened by the loss of several seniors, who graduated the previous year. The team worked hard and ended the season with 12 wins and 13 losses. Canton won the Regional Tournament by taking three in a row; however, chances of going to the State Tournament were smashed by a thrilling 3-2 loss to Quincy in the Macomb sectional.

Varsity Wrestling Squad

Canton Grapplers train for Careers in TV

Wrestling, one of the youngest of all Canton Senior High School sports, is three years old this season. Because wrestling is so young it has a small attendance, larger than two years ago but smaller than the attendance at a football game or basketball game. High school wrestling is different from professional "rasslin" in many ways, one being punishment; in wrestling there are no pressure or submission holds as there are in "rasslin." A wrestling squad is made up of twelve boys who combine their points to get the team's score. The twelve wrestlers are determined by twelve weight classes varying from 97 pounds to the 175 pound heavyweight class. The wrestlers challenge each other to determine who the best

wrestler in each weight class is. These challenges help to give the wrestlers needed experience and to develop good sportsmanship.

The wrestlers that represented Canton in the various weights are Vancil Franciskovich (97 pounds), Bill Moore (103 pounds), Charles Frank (112 pounds), Stanley Henderson (120 pounds), Gary Weaver (127 pounds), Roger Meacham (133 pounds), Vaughn Girard (138 pounds), Joe Dress (145 pounds), Jim Lingenfelter (155 pounds), Zeldon Smith (165 pounds), Art Pollitt (175 pounds), and Jack Smith (heavyweight).

The Intramural Junior Basketball League is made up of underclassmen. Games are played under regular rules with "Chicken" Prosser and Harry Smith as officials.

Intramural bowling again was popular during the '53-'54 term. All Intramural sports are under the direction of Mr. William J. Metzger, drafting instructor.

The Intramural Senior Basketball League is made up of upperclassmen—a "wiser" lot as can be seen by the expressions on their faces. Intramural football was made up largely of those pictured on this page for other sports.

Pent-up energies find outlet in Intramural Sports

Intramural sports has a larger membership of boys than all of the varsity sports combined. Basketball and bowling have the largest number of participants; flag football and the free-throw tournament complete the intramural sports group. In basketball there are two leagues, the junior league composed of Freshmen and Sophomores, and the senior league of Juniors and Seniors. The bowling league is made up of six teams. In intramural sports everybody gets to play regardless of ability. At the end of the intramural basketball season, each league chooses members from the three contending teams to make up an all-star team, which plays the champions in a special game.

VARSITY CHEERLEADERS
Peggy Somers, Eileen Berry, Wesley Stout (head cheerleader), Clara Lue Irons, and Janet Oaks.

Varsity Cheerleaders

As Seniors, we shall take from this school with us a group of the most talented cheerleaders that Canton Senior High School has ever seen. These five people have set a high standard for our new high school to live up to in the future.

Peggy Somers, better known to us as Peg, with her quick smile and cheery personality, promoted the spirit of good sportsmanship among the student body, both in victory and in defeat.

The graduation of Wesley Stout, by far tops among male cheerleaders in the state, will be a great loss to our school. "Wes" has appeared on TV programs and taken part in talent shows all over this region for several years, and has earned a reputation well worth being proud of with his talent and personality; always willing to forge ahead, he is a pioneer in cheerleading tactics.

Eileen Berry with her friendly attitude helps make this group go over big; she adds a touch of the quieter side to our cheerleaders, but her enthusiasm is no less than any of the other members.

Clara Lue Irons, known as "Lue", is the picture of pep seen on the sidelines of any sports event. Right there to cheer us on to victory, "Lue" is a great morale builder for the team and the spectators.

Janet Oaks provides the last link to a marvelous group with her great ability to make one feel at home. Ready wit and unusually striking personality combined with real talent makes "Jan" a vital addition to our five fighting cheerleaders, who put nearly as much energy and time into a game as the team they are cheering.

Canton Senior High School will miss these five next year and in the years to come!

JUNIOR VARSITY CHEERLEADERS
Marilyn Rumler, Alzinna Foote, June Ashton.

Junior Varsity Cheerleaders

This snappy trio assisted the Varsity cheerleaders throughout the year in lifting school spirit to a new peak. Their ready wit and colorful originality added real style to pep meetings and basketball games; the Junior class is very fortunate to have three such excellent cheerleaders to cheer them to victory next year. We take our hats off in a much deserved salute to this charming group.

Sophomore Cheerleaders

Our Sophomore cheerleaders are nearly as talented as the other two groups and are essential to the morale and school spirit of both the team and the students. Sharon Collins and Sandra Rumler do an excellent job in leading their team to victory and stimulating enthusiasm among the fans.

G. A. A. Lifts Standards for the Women of Tomorrow

The Girls' Athletic Association builds the women of the future through high ideals, sportsmanship, and leadership. Much like our state government, G.A.A. has a constitution and by-laws which are established by the Illinois League of Girls' Athletic Associations. The state is divided into five districts by the League, this association being in the fourth district. League fees are paid in proportion to the *total* enrollment of the school.

Membership in G.A.A. is open to any girl wishing to take an active part in club life and fulfilling the physical and academic requirements.

The purpose of the Girls' Athletic Association as stated by the constitution is "to maintain high standards and promote ideals of health and sportsmanship, and to stimulate high school athletics among girls throughout the entire State of Illinois." This provides for intrastate activities, such as the playdays held twice a year.

Awards are available to any member who is able to fulfill the necessary requirements of the League and of the local club. To be eligible for an award, individuals must: (1) be active members of G.A.A., (2) have passing grades in at least three academic subjects at the time of the award, (3) participate in one team sport such as volley ball, softball, basketball, and bowling for at least six hours, (4) have a satisfactory grade in the required physical education course, and (5) earn the required number of activity points—seventy-five for each letter. G.A.A. officers are: Carole Douglas, president; Peggy Royer, vice-president; Kay Murphy, secretary, and Billie Swanson, treasurer. They are assisted by Janice McMullen and Betty McCracken, reporters. Each Tuesday and Thursday night throughout the school year club activities are provided for members. Monday nights are open at the local bowling alley for G.A.A. members.

The club's adviser is Miss Dorothy Hoadley, physical education director, who provides excellent leadership for the members. With her help the Canton Senior High School Girls' Athletic Association has become one of the very active branches in the state with its one hundred and fifty members.

Membership in G.A.A. is not all fun and no work, since a great amount of work is required for the annual sock dance held by the club after the first football game of the season. This year the G.A.A. captured second place in the Homecoming Parade for their float, "Sail On to Victory."

Archery Club points toward Marksmanship

An organization open to both boys and girls of high school age, the Archery Club holds its meetings on Wednesday evenings during the spring and fall months. Although the club is not as active during the winter months, regular meeting nights are spent repairing equipment, selecting new materials, and planning outdoor activities.

The Archery Club has a point system whereby members may earn awards through practices and tournaments. A letter award, in the shape of a bulls-eye, is available to individuals who have the required number of points.

The dues provide for the purchase and repair of equipment, and for the social activities throughout the year.

Harmony, essential to daily life, is sought after by many, but most of all by Mr. Ketric Klingman, our jovial yet competent music director. Canton's Music Department has advanced continually under Mr. Klingman's able leadership. Known not only for his outstanding work with the school choruses and band, he is also recognized for his musical contributions to the adult community. Mr. Klingman, a pal of students as well as our teacher, we salute you for your patience, understanding, and fine efforts on our behalf.

Music Department Scores Record Performance at '54 IHSA Contests

The Music Department is not only proud of the musical accomplishments of its organizations and individuals but also of the unique suite of rooms which form the physical equipment of the department.

The band, freshman and advanced mixed choruses, and boys' and girls' choruses, performed at several school affairs and at many community functions.

The band played at all our football and basketball games, were invited to participate in homecoming festivities at Western Illinois State College in Macomb and at Monmouth High School, and played in a festival at Knox College. The band was host to neighboring bands at the Fulton County Band Festival in February and gave several concerts, one of which was sponsored by the PTA Council.

Largest of the choruses is the advanced mixed chorus. This chorus participated in the Fulton County Chorus Festival at Farmington, sang at the Spring Teacher's Institute and Chamber of Commerce Banquet, presented a program at Havana High School, and presented several student assembly programs.

The girls' chorus was divided into "A", "B", and "C" groups. The "C" chorus was made up of girls from the other two groups and entered Illinois High School Association contests. Boys from the mixed chorus made up the boys' chorus, which, like the other choruses, also entered contests.

Instrumental and Vocal ensembles and soloists from all groups first entered an elimination contest in the middle of February. Winners in their particular fields competed in the District Contest at Lewistown. This year's results were the best ever to be received by the music students in the school's history. Entered in twenty-seven events, eighteen superior ratings were received. Students receiving a "State" superior rating advanced to the state contest at Bloomington.

Last but not least were the baton twirlers, who, with their flashing batons and original routines, added color and glamour to our band.

All of us sincerely extend congratulations to Mr. Klingman and the Music Department for another very successful and active year!

They Make Music--Unofficially

Although not official school groups, the Orchestra and the Four Steps of Harmony formed an important part of our school life. The Orchestra furnished music for several of the school dances sponsored by organizations. This year the Four Steps tried something new by entering the IHSA district music contest in Boys' Ensemble as the one and only Barbershop Quartet, receiving a superior rating!

Spanish Club Activities Flavored With Tabasco

The success of this year's Spanish Club began early by winning the prize for the best decorated car in the Homecoming Parade.

Other projects were dances and candy and pie sales, which were so successful that the club was able to have two *muy bien* parties, one for the first year students and another for clubs from surrounding schools. A luncheon at the Elks Club and several sack lunch meetings at the old school were held.

The club visited Pekin, Peoria Central, and Galesburg, where the members participated in the programs by putting on skits, breaking la pinata. A typical Spanish Christmas party was enjoyed by all at Chillicothe. Perhaps the most educational as well as enjoyable trip was to Peoria for the state convention of the Illinois Federation of Pan American Leagues on March 27. Our club, *La Sociedad Espanol,* is a charter member of this organization.

The French Club has in past years been a very active club, and this year is no exception. Its first thrilling accomplishment was winning first prize for the cleverest float in the Homecoming Parade. After hours of hard work, the float was glamorously outfitted with a guillotine in colors of flaming red, silver and black. The theme, "Let's Get a Head," won a prize of twenty-five dollars and a trophy from the Junior Chamber of Commerce.

Serious business was attended to at regular meetings, but the members enjoyed several parties. *Le petit dejeuner* (breakfast) was held at the Elks Club in October. *Le Cercle Français,* celebrating George Washington's birthday, had a *Grand Gala* at the Congregational Church February 18. *Le Grand Gala* commemorated the binding friendship of Washington and LaFayette.

Another project for the year was financing a new cabinet to house records and *le Philco très antique* in the French classroom. It will be completed sometime during the summer.

Roamin' Latin Club Sees Chicago

This year's Latin Club membership exceeds sixty, again making it one of the largest extra-curricular organizations in Canton Senior High School.

As usual, the Latin Club was an active organization. Early in the year a luncheon was held in the home-making room of the old school. Entered in the annual Homecoming parade was the club's float, sporting the theme "Cage the Panthers."

On March 27, members took a bus trip to Chicago which proved to be entertaining as well as educational. The club members visited the Museum of Science and Industry and the Planetarium, returning home the same day.

The Camera Club consists of boys who give up their free periods so that we can have classroom films that are both enjoyable and educational.

They operate a Bell-Howell projector and have learned every part of the machine, having run films for all types of classes—scientific, historical, athletic—and many others.

They have done a swell job and deserve much credit. These boys get letters after they have been in the club two years or more.

The Biology Club Grows . . . and Grows

The Biology Club now has sixty-five members. Anyone who has taken or is taking biology may be a member.

This year the club has really been active. They are carrying on a drive to protect the grass on the school grounds and urge the promotion and conservation and the appreciation of nature.

The club went to Chicago on February 27th and visited the Museum of Science and Industry, and the Aquarium.

Last fall they ran the concession stand at the football games with part of the proceeds going to theimprovement of the biology laboratory.

Members entered projects in a district contest which was held at Morgan Gymnasium, Western Illinois State College, at Macomb. The state meeting was held at Monmouth College. At the state meeting field trips are led by distinguished specialists. To conclude the meeting, a banquet is held. This is all sponsored by the Illinois Senior Academy of Science.

At Christmas time the club took up a collection of canned goods for distribution by the Salvation Army.

The club also went to Springfield in February, visiting Lincoln's Home and Tomb, and the Illinois State Museum where they saw two nature movies.

The 1953-54 Canton chapter of the Future Farmers of America has enrolled thirty-five members from both the Senior and Junior High Schools. The purpose of this organization is to help farm boys become established farmers after graduation. Their motto is: "Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

The club is very active throughout the year. They participated in both the State and Sectional Judging Contests, took trips to Chicago for the International Livestock Show and to the University of Illinois. They had their own baseball team and also sponsored roller skating parties and hay rides.

A new activity this year is sending a representative to the State Conservation Camp at Lake Villa. The boys also entered the State Public Speaking and Parliamentary Procedure Contests.

F.H.A. has about fifty members who have paid their dues for the year. F.H.A. is a nation-wide organization. Anyone taking Homemaking or who has taken it may belong. Their purpose is to work together for better and happier home life for everyone.

During the year they have done many things. They had an initiation party for the Freshmen, a Homecoming float, and several candy sales have been held to make money. The girls also ran the concession stand at the football games. At Christmas they had a party and made up baskets of canned goods for needy families. At one meeting a demonstration of table settings was given; at a tea for the mothers a demonstration on arranging flowers was given. To conclude the year, the girls have a party or picnic for the graduating Seniors.

A greater degree of confidence means greater interest in school activities, both curricular and extra-curricular, and enhances loyalty, cooperation, responsibility, and initiative. Confidence is a basic requirement for modern living in a complex, democratic society.

By attempting to create mental and physical poise in its members the Dramatics Club hopes to inspire in high school students cultural interests that will lead to the establishment of solid personal confidence; then, by encouraging speaking, acting, listening, thinking, and discussion, to install a solid base for citizenship in modern America.

Librarian's Club assists Befuddled Students

8:25 A. M. The bell is about to ring. The books are resting quietly on the shelves, magazines in their proper places, and a peaceful calm rules. Suddenly, a loud "buzzing"! The door is thrown open and the day begins. "Where are the biographies?" "Do you have this author?" Such is a day in our C.H.S. Library.

The Student Librarians volunteer to help Miss Ruth Cagley, the librarian, during their free periods. Their duties are checking books and magazines in and out and straightening shelves.

These girls organized the Librarians Club which was quite active this year. They entered a float in the Homecoming parade and participated in several other activities.

National Junior Honor Society Recognizes Budding Genii

The National Junior Honor Society may correctly be termed the "younger brother" of the National Honor Society. The Canton Chapter was organized on November 10, 1948.

In order to be admitted to the Canton Chapter 583, Freshmen and Sophomores must possess an *average* grade of "B" or higher. Besides this scholastic requisite, candidates are chosen on the basis of citizenship, service, leadership, and character in daily school life.

One of the most prized honors for Canton High School students is membership in our chapter of the National Honor Society.

In order to qualify for membership, students must be among the top fifteen percent of their class scholastically, and must exhibit high standards of character, service to the school and community, and leadership skills.

Each year the National Honor Society sponsors a scholarship program for which each chapter of the nation-wide organization is entitled to select twenty-five percent of their college-bound seniors who are best qualified, to take a general aptitude test. On the basis of scores on this test, thirty-five students from all the states and possessions are awarded scholarships, ranging in value from $200 to $500 each, thirty awards of $50 each, with certificates of merit going to other ranking students. Last spring Ron Kareken, representing the Canton Chapter 1967, won a certificate of merit.

Y-Teens build high standards of Christian Character

The high school group of the Y.W.C.A. is composed of 120 girls who meet twice each month.

Meetings are opened by the officers, followed by Christian devotions. For each meeting an interesting program, some of which have been dances, penny potlucks, talks on religion and pen pals, and fashion shows, is arranged.

Y-Teens contribute to the Community Chest, charity, and the World Fellowship Fund of the Y.W.C.A.

Highlights of the past year included a panel discussion on dating with State Senator Albert Scott as moderator, attended by 250 high school boys and girls. Mrs. Penny Anderson of Bloomington dealt with the same subject.

The Ma-Pa-Me party gave parents an opportunity to see the Y-Teens in action.

Each summer two or three girls are sent to a summer conference, which, for the past two years, was held in Peoria. There the girls meet with other Y-Teens girls of our State and swap ideas.

Y-Teens contribute much in the building of high standards of Christian character among high school girls.

Mr. William Toncray

After affiliating nationally with America's Hi-Y groups, "Senator" David Bump and "Representative" Leonard Davis were sent to Springfield to take part in the "Youth in Government Day" sponsored by the Illinois Area Council of the Y.M.C.A. Hi-Y and Tri-Hi-Y clubs throughout the State took part in the program, which put Illinois youth in all government posts at Springfield for two days in April.

Remember the Homecoming bonfire and pajama parade? You can thank the Beta boys for that happy, carefree jump into absolute indignity!

At the Hi-Y district meet, held at Moline, Jack Smith's shyness helped elect him to the post of district treasurer. The result of experience gained at the district meet, was a step-up in the religious and educational programs of the club. Each meeting is opened with readings from the Bible and features a guest speaker.

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community, high standards of Christian character.
